Malaysia

to have more industry players that can invest in better and efficient technology," he said.

He also urged the Energy Commission to blacklist first generation independent power producers that did not renegotiate their PPAs from this bid.

KUALA LUMPUR, Dec 28 (Bernama) -- The Energy Commission has moved to open up

the bidding process for the replacement of first generation Power Purchase

Agreement (PPA).

This was revealed by Association of Water and Energy Research Malaysia

(AWER) President S. Piarapakaran in a statement today.

He did not elaborate.

While congratulating the Energy Commission for the move which he described

as bold, he called for a transparent and fair bidding process.

"Opening up the bidding up to 49 percent foreign equity will allow
